

When I Visit a Worship Service

(A Social Story for the Karns church of Christ)

I love to come to church!

I can go to Bible class
with other children my age.

I can get a “Buddy Bag” from the Welcome Center. It is filled with fun things to do during worship services.

I can sit anywhere I choose
in the auditorium.

If I need a quiet place to be calm,
I can go to this special room.

Many people will say hello,
because they are glad to see me!

When worship starts, I can sing, pray,
and listen to someone read the Bible.

During worship, the church will take the Lord's Supper, which helps us remember Jesus.

There will also be a basket passed around to collect money, but as a guest, I don't have to put anything in, I can just pass the basket to the next person.

I can listen quietly to the preacher
tell me about God's Word.

After the last prayer,
there will be announcements,
and then I can go home.

The church family hopes that I can
come back to church services soon.
I am always welcome at
the Karns church of Christ!
