Our Vision: Speaking the Truth in Love (Ephesians 4:15)

Your Shepherd's Goals

Shepherd the flock of God which is among you, serving as overseers, not by compulsion but willingly, not for dishonest gain but eagerly; nor as being lords over those entrusted to you, but being examples to the flock (1 Peter 5:2-3).

It is our goal to mentor, communicate, and encourage our brothers and sisters to please God. We want to empower people to use their God-given talents and gifts to His glory and to bless the flock through these gifts. Our desire is to help each member grow to their fullest potential as they serve the Lord.

We see the role and work of elders to be shepherds who lead the flock, nurturing it and encouraging it to remain true to what pleases the Chief Shepherd and Father. We ask for your prayers as we continually seek to improve in shepherding this flock. Pray for us so that we may equip the saints *for the work of ministry, for the edifying of the body of Christ* (Ephesians 4:11-12).

Our Family Goals

We give thanks always to God for being with us and blessing us through both good times and trials. Our hope and prayer with God's blessing, the Karns congregation will be able to continue its service to God the Father in 2024. The theme for 2023 was "Faithful Living: Holding Fast the Pattern" (2 Timothy 1:13). In 2024, we want to focus on everyone being actively engaged in speaking the truth in love to all who will listen (Ephesians 4:15).

Our Vision for 2024 is for every member to:

- Magnify Christ in our community (Philippians 1:20)
- Grow in Love for each other and the lost (Ephesians 4:16)
- Reach out to the lost with the Gospel in our daily lives (Matthew 28:19-20)
- Pursue with diligence personal transformation into the likeness of Christ (Romans 12:2)

Karns' Story

Remember the stories which were read to us when we were young that usually began with the phrase "Once Upon a Time"? This is our story.

Once upon a time, a young preacher named Billy Nicks held a gospel meeting in the Karns community. Brother Nicks, minister for the Highland View congregation, borrowed a tent from the New York Avenue congregation and held a "tent meeting" in a sparsely populated area between Knoxville and Oak Ridge. The tent was located on the north side of Oak Ridge Highway near where the Exxon station is now located. He preached the good news of Jesus Christ and nine people were baptized for the remission of their sins.

Members gather on the porch of the first building

VBS 1961

Beginning on July 5, 1953, these New Testament Christians regularly met in the Karns community school house. This small congregation in the Karns community began to grow and they looked forward to the time when they could meet in their own building to worship God. A small tract of land on Beaver Ridge Road was purchased in 1953 for \$2000. Plans to construct a building began with \$100 deposited into the building fund. God blessed this small congregation and construction began in August 1954, with much of the work being done by the members. A small white concrete block building capable of seating 112 people was completed, and they met for the first time in their new building on

January 2, 1955. The first sermon was preached by Bill Nicks.

The congregation did not forget they were the beneficiaries of the mission effort of the Highland View and New York Avenue congregations in Oak Ridge. They began supporting other missions six months after moving into their building. In 1961, with a budget of \$330 per week, construction of a larger auditorium, 15 additional classrooms, and a fellowship room began along with an increase in funding to foreign missions. Karns soon started hosting a World Missions Workshop that was attended by missionaries from near and far. But the Karns congregation wanted to do more to spread the gospel and with a weekly budget of only \$770, a school of

Karns' Story *(Continued)*

preaching was established in 1971. God blessed the congregation and school of preaching and both have continued to grow in numbers and influence.

A larger auditorium capable of seating 450 people was constructed in the year 1992. The student housing at Hillbrook for students attending the school of preaching and the Bill Nicks Library were completed in 1993. More classrooms to accommodate the growing congregation and the school of preaching were added in 1998. By the year 2011, over 300 gospel preachers had been trained and were serving God in places around the world.

Completed 2nd addition (2000)

In December 2014 additional land across Beaver Ridge Road from the current building was purchased to allow the Karns congregation to again expand our facilities. In the Fall of 2017, we officially broke ground for the construction of an expanded auditorium and additional classroom space. Construction also began on a separate facility for the Southeast Institute of Biblical Studies. Construction was completed in 2018 and we thanked God for his great blessings. The new Southeast facility was completed in 2019 and was formally named the “Meadows Bible Center” in honor of the late James Meadows, a former Director.

With a zeal and commitment like the first members, we ask God to continue to bless us as we strive to preach the gospel of Jesus Christ to the Karns community and the world beyond. Seventy years after meeting for the first time in that small white building, the Karns congregation still wants to do more and greater things to serve our Lord. Thank you, Lord, for blessing us.

What is a Ministry?

A Ministry

If you're doing it because no one else will, it's a job.
If you're doing it to serve the Lord, it's a ministry.

If you're doing just enough to get by, it's a job.
If you're doing it to the best of your ability, it's a ministry.

If you'll do it only so long as it doesn't interfere with other activities, it's a job.
If you're committed to staying with it, even when it means letting
go of other things, it's a ministry.

If you quit, because no one praised you or thanked you, it was a job.
If you stay with it even when no one seems to notice, it's a ministry.

It's hard to get excited about a job.
It's almost impossible not to get excited about a ministry.

People may say "well done" when you do your job.
The Lord will say "well done" when you complete your ministry.

Evangelism & Outreach

Purpose:

Our purpose is to glorify God by proclaiming the gospel to all people. Jesus commissioned His disciples to make disciples of all nations by baptizing them and teaching them to follow Jesus Christ (Matt 28:19–20). We believe that evangelism is the role of every Christian because of our love for God (1 John 4:19), our concern for the lost, our desire to obey Him (1 Thess. 2:4), and as a reflection of our gratitude for the salvation we have in Jesus Christ. Evangelism is ultimately for the glory of God and the growth of His church. Yet, we are all servants who must plant and water for the increase that comes from God (1 Cor. 3:5–7). Our Evangelism, Outreach, and related ministries seek to fulfill this commission in the modern-day world.

- Involve all members in evangelism either individually or through organized efforts.

Jail Ministry

Purpose:

Since 2009 Karns and the West End congregations have taken the mission to share the Good News of Christ with inmates in Knox County, both male and female. Through studies based in scripture, our focus is to stimulate each inmate to love God and be obedient to the gospel. Classes emphasize how to overcome the past, receive forgiveness, and how to begin and live a new, changed, life through Christ (II Cor. 5:17).

Reaching Our Goals:

- Each week classes are held for both men and women at the Knox County Jail (men) and the Sheriff's Detention Facility (women).
- Weekly classes cover topics such as basic the authority of scripture, sin, repentance, forgiveness, how to become a Christian, living a changed life, etc.. We use materials from various brotherhood sources, including New Life Ministries (Biblical basis for parenting, anger management, and "Christians Against Substance Abuse", a Biblical twelve step program).
- Many of the men and women who attend have no Bible background at all, and over 80% are incarcerated because of substance abuse.
- They are thirsty for the hope that the Bible gives, but we need volunteers to conduct classes and help them see the path..

Opportunities to Serve:

- We NEED more volunteers. Consider becoming approved to teach or assist with our ministry.
- Each volunteer must complete an application form from the Knox County Sheriff and undergo a background check. Once approved, each person must be issued a jail volunteer ID and attend an orientation meeting before entering the jail.
- See Conrad Slate or Curt Davidson for further information.

Conrad Slate

Missions

Purpose:

Our purpose is to obey the Lord's command to his disciples before His ascension into heaven. He commissioned His disciples to *Go therefore and make disciples of all the nations,--teaching them to observe all things I have commanded you* (Matt. 28: 19a, 20a). Foreign mission efforts have been a work of the Karns congregation from its beginning and we continue to carry out this commandment in the locations described below.

New Christian in St. Croix

Missions and Missionaries We Support:

- Australia mission (Brett Rutherford)
- Honduras mission (Carlos Hernandez)
- India mission (Don Iverson)
- Philippines mission (Ernesto Rigor)
- St. Croix, Virgin Island mission (Clancy Etienne & Arnold Dickson)
- International Academy of Biblical Studies (Roger Leonard)
- Asian Christian University (Demar Elam)

Reaching Our Goals:

- To support the missionaries who preach the good news of Jesus Christ outside of the borders of the United States and to establish self-supporting congregations in these locations.
- Encourage those ministers and the brethren they serve.
- Pray for these missions, ministers and members.

Opportunities to Serve:

- Write letters and e-mail to the missionaries supported by the Karns congregation. Proverbs 25:25 says, *As cold water to a weary soul, so is good news from a far country.*
- Go on mission trips and help support the local congregations by conducting Bible studies, handing out tracts, and performing other tasks needed by the brethren. If you are not able to go yourself, support those who can.
- Provide for special needs (food, clothing, medicine) for the ministers and the members.

Highlights from 2023:

Education

Purpose:

Our purpose in this ministry is to teach all students at Karns, while supplying young and new Christians with a firm foundation that they may gain Biblical knowledge. The goal is to build upon this foundation so they may develop into mature Christians, becoming more Christ-like at each step.

The Bible School Program at Karns is developed for the very young and continues with classes for adults of all ages. The education program is divided into four areas: preschool, kindergarten through fifth grade, middle school and high school, and adult.

The classes begin with cradle roll, where young infants are exposed to classroom settings. The program is designed so that fundamental teaching occurs in the early years with teaching materials specific and appropriate for each age group. School-age students are exposed to a more in-depth study of the Word. Our current curriculum, "Shaping Hearts," is structured so that all kindergarten through fifth grade students study the same topic at the same time and at a depth appropriate for their age. Our classes rotate through each quarter, so that every 3 years a student will have covered the whole Bible.

Photo courtesy of Daniel Salmon

Like newborn infants long for the pure spiritual milk, that by it you may grow up into salvation (1 Peter 2:2).

Karns is blessed with many capable, knowledgeable teachers. These teachers not only know the Bible, but live it out in their lives. Daniel Salmon serves as the deacon over the children's Bible school program with preschool/cradle roll coordinator Sherry Woodall and K-5 coordinators Hollis Bauman and Teresa Clark. Steve Higginbotham coordinates the adult education and Christian Fran coordinates the youth education.

Reaching Our Goals:

- Develop students into mature, well-grounded Christians. *Him we preach, warning every man and teaching every man in all wisdom, that we may present every man perfect in Christ Jesus (Colossians 1:28).*
- Increase Bible Class attendance on both Sunday morning and Wednesday nights.

Opportunities to Serve:

There are many teaching opportunities for members at Karns. The elders require a Christian to have placed membership at Karns at least six months prior to being a teacher. It is also required that all classes in the Bible School program, other than adult classes, have at least two teachers in the classroom. More information regarding teachers can be found in the ***Guidelines for Teachers at Karns*** publication.

Lads2Leaders

Purpose:

Our Lads to Leaders (L2L) ministry exists to help our congregation instill the Word of God into our youth and adults so they will stand firm in the faith. Teaching students to do “Bible things in Bible ways” is the essence of L2L. L2L is for all ages from age 3 up to 103.

L2L is the oldest and largest leadership training program used by the churches of Christ today. It is a tool churches of Christ can use to help prepare youth and adults for service in the Kingdom of God and help develop their overall leadership potential. L2L is much more than just attending a youth rally or participating in a Bible Bowl.

Reaching Our Goals:

- L2L will provide our members with effective, year-round leadership training tools that can be adapted to each individual participating
- L2L will help develop and grow our youth into becoming future Christian leaders

Opportunities to Serve:

- Participation in the great variety of year-round events
- Be a participant and encourage your family and others
- Be a helper to assist with the events or take charge of one

Purpose:

The New Christians ministry strives to provide new Christians with the foundational principles of God and His Church. Methods used to meet these goals will include one-on-one training, classes with other new Christians, and mentoring by mature Christians.

Encouragement & Visitation

Purpose:

Our purpose in this ministry is to take an active approach to meet the needs within our congregation and community through encouraging and visiting. This ministry is designed to encourage strong Christian relationships within our church family and to demonstrate love and support for others.

There are two main focuses within this ministry. One is to encourage and visit those outside our church family. The second is to strengthen the congregation through the fellowship each member enjoys by working alongside other members. *I was sick and you visited me* (Matthew 25:36) suggests more than just a social call. Everything under consideration in this passage relates to ministering to needs... *hungered... gave me meat, thirsty... gave me drink, stranger...took me in, naked...clothed me, sick...visited me*. Since the needs of people vary greatly, the approaches to visiting must vary as well.

Reaching Our Goals:

- Involvement goal – more members active each month (cards, calls, visits)
- Sick and shut-ins – visit at least 1 time each week
- Encourage members – visit someone new each month, encourage others weekly
- Visitor follow-up – Send cards and contact those who have visited our congregation
- Accountability – measure our successes as a whole family
- Develop better organization for conducting and tracking our visitation efforts

Opportunities to Serve:

Encourage our Visitors

- Serve as a greeter (Welcome Center greeters, door greeters)
- Help identify and greet visitors to our services, Bible Classes, and other events
- Help visitors find classes, restrooms, nursery, etc.
- Help visitors make personal connections
- Invite visitors into your home for a meal and/or Bible Study
- Send follow-up cards or emails to visitors
- Coordinate a team who identifies and greets visitors
- Coordinate weekly follow-up visits

Encourage our Members

- Visit members who are hospitalized. Visit, call, and write those who have been away for a while
- Sending cards for special occasions (birthday, anniversary, graduation)
- Send encouraging email or social media messages
- Invite another family over for a meal, Bible study, or game night
- Get to know new members, and invite them into your home

Transportation

- Provide transportation to those needing rides to services, doctor visits, etc., or offer to run errands for those who cannot get out

Widows, Widowers & Shut-ins Ministry

Purpose:

The purpose of this ministry is to support, encourage, and serve (Jas. 1:27) those who are widowed. We want to help meet their spiritual, physical, and social needs and to fully integrate those who are widowed into service and fellowship in the Karns congregation. Helping those who are widowed to find their place of service in the congregation is a priority. In widowhood, the need for friends and being included is greater than ever! We want to connect all members with our widowed members by including them and spending time with them. Our widowed members have a wealth of experience and knowledge that they would like to share and use. They want to be connected with the entire congregation and not be underutilized or left out!

Unique Needs:

Widowhood may come with little or no warning. Mourning the loss of a spouse, living alone after marriage, having all responsibility for a home, finances, decision-making without a spouse, and matters that were often only handled by one spouse make widowhood unlike anything else. For the newly widowed, there are needs and responsibilities that didn't exist just a few days or weeks ago. Some of our widowed members are no longer able to do some tasks that were once simple. Some can no longer attend worship services and activities of the congregation. Your visit, card, call or help could bring sunshine and encouragement to them. All of this is in the spirit of James 1:27.

Reaching Our Goals:

It is important that each of us embrace those who are widowed. Too often we avoid widowed members because **we** don't know what to say or how to interact. We fear saying the wrong thing. We've surveyed the widowed and they say not to treat them differently because they've lost their spouse. Treat them as you would want to be treated. Ask them to help in areas where you are involved. Volunteer to help those widowed with things they can no longer handle alone. They may need help with tasks around their homes they simply cannot do. They may need advice about taxes, finances, vehicle maintenance, etc. Find where you can help.

Opportunities To Serve:

- Visit and share a Bible thought and prayer with them. Share your joy!
- Take communion to those who cannot attend
- Volunteer your services/talents to help those who have needs they can't handle (yard work, cleaning, light household maintenance, transportation, etc.)
- Send cards for birthdays and special occasions
- Make a special effort to include them in meals, events, and service projects.
- Assist with TLC meals, either by donating food, preparing the dishes, or taking meals.

Coordinators:

Conrad Slate

Ladies' Programs

Purpose:

"...A woman who fears the Lord, she shall be praised" (Proverbs 31:30). The ladies' programs provide opportunities for women of all ages to serve the body of Christ and both give and receive encouragement to grow spiritually and develop skills needed for service to God. Mentoring is available as women take on new tasks and responsibilities in teaching ladies, providing hospitality during ladies' events, weekly preparation of TLC meals, individual/group requests for prayers, advice or support through the "Sister's Circle" group provided through Facebook, and personally during times of fellowship within the Karns body of Christ. Younger ladies are encouraged to attend events and are frequently given the opportunity to not only participate in leading songs and reading scripture at these events, but learn while assisting in preparation and planning.

Reaching Our Goals:

- Develop an *inward* desire for Christ-centered priorities
- Develop an *upward* desire to get to know God better through a greater knowledge of his word
- Develop an *outward* desire to demonstrate compassion and serve those who are in need
- Develop a *forward* desire to work toward greater friendship and fellowship with other Christian women

Opportunities To Serve:

- A weekly Tuesday morning ladies' class and monthly Tuesday evening ladies' class
- An annual Ladies' Retreat and annual Ladies' Day
- "TLC Program" - A weekly preparation and delivery of food to shut-ins
- Food Groups take meals to members with special needs (surgery, death in family, etc.)
- Ladies' Bible classes offered through the adult curriculum in the church
- Ladies' Enrichment classes through Southeast Institute of Biblical Studies
- "Sister's Circle" - A Facebook group designed to help women connect with other women at Karns

Highlights From 2023:

- Annual Ladies' Retreat was held in February in Pigeon Forge and a Ladies' Day in the Fall.
- The "TLC" ministry prepared food weekly for our sick and shut-ins. Meal trains were also planned for various needs.
- Ladies continued to provide support and encouragement for one another through the Sisters' Circle Facebook group and ladies' Lightpost group.

Men's Programs

Purpose:

...Now therefore fear the Lord, and serve him in sincerity and in truth..., choose you this day whom ye will serve..., but as for me and my house, we will serve the Lord (Joshua 24: 14,15). As iron sharpens iron, So a man sharpens the countenance of his friend (Proverbs 27:17).

The purpose of the program will be to provide opportunities for men to grow in the grace and knowledge of our Lord and Savior Jesus Christ by fellowshiping with one another spiritually and physically. The goal is to lead His church, our families, and community in a manner that brings glory to God.

- Spend time together outside the regular designated worship and Bible study periods

5th Grade & Under Ministry

Purpose:

Our children's ministry exists to provide involvement activities for families with young children and support them as they bring their children up in the discipline and instruction of the Lord (Ephesians 6:4). We want to encourage and prepare them for a deeper relationship with the Lord.

Reaching Our Goals:

With that goal in mind, we try to structure our program, whether through education, service, devotionals, or fun activities for the purpose of providing opportunities to teach our young children about Jesus. We understand that the main teaching responsibility belongs to the home and that is what we encourage our parents to keep in mind, but we understand we are a family, and families help one another reach their spiritual goals.

Educational:

The children's education program at Karns centers on teaching our children the fundamentals about God and His word. These classes are designed to help our children understand God's love for them and grow to love the study of His word.

- Family cookouts
- ...and many more

The family model the Bible presents for the church provides a key foundation for our children's program. While it is important for the children to socialize with one another, we believe it is also important for them to interact with adults and parents. We, therefore, encourage all parents to be involved in the planning and implementing of all children's activities. We want the parents involved in the spiritual lives of their children.

Student Ministry (Grades 6 – 12)

Purpose:

Our Student Ministry exists to challenge every student to have faith in Jesus Christ, commit their lives to Him by becoming a Christian, live faithfully in service of His kingdom (the church), and bear fruit in the world by showing the love of Christ and spreading His Word to the lost. While we believe that parents are ultimately responsible for instructing their children in the way of the Lord (Deut. 6:1–8), the Student Ministry partners with parents to supplement their efforts at home with activities and learning opportunities to grow together with their peers.

Reaching Our Goals:

We structure all events and activities around that purpose — whether in Bible classes, service, devotionals, or social activities — to teach, reinforce, model Christlikeness, and provide opportunities to develop an attitude like Christ (Phil. 2:5-8).

Educational:

The youth education program at Karns is designed to teach and train our young people to know the Word of God, His will for our lives, to live faithfully according to the Scriptures, live like Jesus, and be equipped for every good work. Classes include textual studies of the Bible, studies of both biblical and relevant topics, and interactive elements. Our teachers are experienced and include many of our ministers, parents, church leaders, and school staff.

Social:

We have a number of social activities that promote the development of relationships among the youth and also provide an avenue to invite friends. Social events also create space for young people to develop relationships with mature Christian adults. Many of our parents and adult volunteers are involved in planning, leading, and chaperoning these events:

- Retreats (Fall / Spring ADVANCE)
- RUSH and Horizons at Freed-Hardeman University
- Evangelism University in Savannah, TN
- Challenge Youth Conference in Pigeon Forge, TN
- Area wide youth devotionals
- Jr./Sr. Banquet (Prom Alternative)
- Holiday dinners

Spiritual:

Spiritual development is more than just an emotional state. True spiritual growth occurs when our minds are set on things above (Col. 3:2), presenting ourselves to God as living sacrifices, and being transformed and not conformed to this world (Rom. 12:1–2). Spiritual activities provide opportunities for our young people to develop their faith through practical experiences and additional education outside of regular class and worship times. Some activities include:

- Service projects
- Camps & Retreats
- Area-wide devotionals
- Lads2Leaders program
- Southeast Leadership Camp

Student Ministry (Grades 6 – 12)

Facilities

Purpose/Mission:

We desire to use our facilities to assist us in bringing glory to God. Through the sacrifices made by Christians at Karns, many of whom are no longer with us, we have been blessed to have an accessible, functional, and aesthetic facility.

We want our facilities to be used in a way that will allow us to teach the Word of God, edify the saints, and positively impact our community.

The sound room ministry is instrumental in assisting with worship by providing the sound needs to amplify those whom are speaking as well as assisting those who are hearing impaired. We seek to enhance worship through the projection of songs, sermon notes, and scriptures. We are also responsible for streaming our services live on both Sunday mornings and evenings to reach our shut-ins and others in the world seeking the truth. In addition to worship, we help provide assistance with the lectureships, VBS, and classes in the auditorium throughout the year.

Reaching Our Goals:

Specific goals which will enable us to fulfill our purpose are:

- Develop security and safety protocols that will ensure the safety of those who use our facilities.
- Periodically evaluate the needs of the building and grounds so that both can be kept in working order.
- We want to encourage the use of the building beyond Sunday and Wednesday. Consequently, we want the building to be used as a tool, accessible to all members, for the purpose of bringing glory to God.

Southeast Institute of Biblical Studies

Purpose/Mission:

In the August 12, 1970 press release, the Karns elders described the vision for the East Tennessee School of Preaching and Missions (now Southeast Institute of Biblical Studies). They wrote, “The school will offer a full-time program of day studies in Bible and related subjects with a heavy emphasis on mission work. The churches in eastern Tennessee, Kentucky, Virginia, West Virginia, the Carolinas and Georgia will be served by the school.”

The school continues to fulfill that dream and beyond. Our graduates have gone to Alabama, California, Colorado, Florida, Georgia, Illinois, Indiana, Iowa, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, New Hampshire, New Mexico, New York, North Carolina, Ohio, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Vermont, Virginia, West Virginia and Wisconsin.

Others have gone to Australia, Thailand, Suriname, Guatemala, Pohnpei, New Zealand, Malaysia, Ukraine, West Indies, the Philippines, Malawi, Tanzania, Western Samoa and Canada.

We currently have 12 students. Six men graduated this past May. Each of these men spend approximately thirty hours per week in intensive study. They are also expected to study another thirty hours at home. At the end of two years, according to the state of Tennessee, our students have completed the equivalent of four years of work in a typical college. Additionally, they have experienced what it is like to be a busy servant in the Lord’s church working with a congregation or in a mission field.

Reaching Our Goals:

The goal of training men to preach and do mission work around the world continues to be reached by operating a school with four full-time staff members and fourteen adjunct faculty.

Members are encouraged to attend our tuition-free classes whenever they can. Pray God will bless our efforts by sending us all the students we can handle. Ask the Almighty to give the instructors wisdom to see the strengths that each man has and to help him grow as an effective member of the body of Christ.

Opportunities to Serve:

- Serve as an adoptive family
- Help by bringing food, cooking breakfast and/or serving during our lectureship
- Encourage the men and pray God will bless their studies
- Place Southeast in your will
- Be on the lookout for prospective students
- Ask churches you know to consider adding Southeast to their budget
- Give to Southeast to help support our ongoing effort to train men to proclaim the gospel to the glory of God
